

At Pro Bio Healthcare we are extremely passionate about helping people maintain long-term bowel health. Our dietitians and nutritionists have devised the IntestAid®IB 'Nutritional & Lifestyle Challenge' which when followed alongside the use of IntestAid®IB, will help to provide a natural approach to long-term intestinal balance and bowel health.

To receive your highly personalised 'tool kit' containing lifestyle and dietary advice tailored especially for you simply complete the attached form and post or fax your answers back to us using the FREEPOST address or fax number provided.

Address & Contact details:

Mr Mrs Ms
